

NOURISH YOUR BODY, NOURISH YOUR SOUL

So SPA by Sofitel is an award winning spa where natural daylight, fragrance and treatments are designed to create a moment of total relaxation.

Dedicating the ancestral techniques of acupuncture to the beauty of women, So SPA by Sofitel proposes the Claret-Coquet acupuncture face-lift method, an alternative to botox and hyaluronan.

The rapid insertion of fine gold needles in the face stimulates the muscles, smoothes wrinkles and fine lines, helping tone the entire face, leaving the skin more radiant and firm.

Skin beauty being the reflection of inner wellbeing, a Chinese energy profile is completed to harmonise inner energy and to help the whole body recovers its balance.

The acupuncture face-lift is only available on the first Tuesday of every month. To avoid disappointment, we recommend you book your treatment in advance.

Duration: 40 minutes - Cost: £145.00
