

# A Taste of Spring

## A French-Inspired Afternoon Tea

Step into our Rose Lounge where the charm of French sophistication meets the quintessential British afternoon tea tradition. Our new menu has a French Twist which promises a memorable experience. Taking your finely cut sandwiches to another level with brioche, croissant, and mille-feuille.

Sip and savour from a curated selection of a wide variety of loose-leaf teas, each paired perfectly to elevate your experience and complement the offerings crafted by our Head Pastry Chef, Lerrick Coelho.

For those seeking an extra spark, add a bubbly note to your afternoon with a glass of Champagne, transforming your experience into a celebration of elegance
